Marisol Pena, Administrative Assistant marisalp@bondplace.ca

Cheap and cheerful, in the heart of downtown Toronto, near the subway, just east of Yonge Street.

Well kept and fresh, but far from luxurious. Very cozy with double beds only - that is, standard rooms have little in the way of extra space. You can opt for a more spacious room with two double beds for a few dollars more.

Standard rooms can be booked on-line, pre-paid on a card, with no cancellation, for \$79. That is the same rate, without the restrictions, if you have CAA or AAA or can book as a senior. (Ignore the exchange converter on the web site. Our dollars are close to par give or take a couple of cents either way.)

Marisol Pena, administrative assistant, will give you a rate of \$89 for the same standard room if you book directly with her, without restrictions.

For information regarding airport ground transportation at www.bondplace.ca/location Choices include a limo @ \$50 or shuttle bus. For bus information call 1-800-387-6787. Parking at the hotel is \$15 daily.

The ground floor restaurant is open at 7 am for breakfast. Front desk staff and concierge are friendly and helpful. This is a no frills hotel – be sure to ask for extra towels!

Please let me know if you have any difficulty with your booking. And do tell me when you expect to arrive. I will make dinner reservations once I have an idea of when everyone is getting in. I will also forward the itinerary as it unfolds, and cultural options of interest.

Thanks, Catherine
